

SENSES RETREATS

Offering all you need to help your retreat stand out...

HOW WE WORK

We take our normal fee on the tents, plus any extras you may choose.

You can place any profit margins you want on your retreats.

We offer different extras such as catering, but if you wish to run every aspect of the retreat yourself we then hire out the facilities which include, a bar, kitchen & restaurant.

As a basic, the grounds/bathrooms and all amenities will be kept clean and maintained during the retreat period, furthermore, all bedding, cleaning and sleeping plans will be delivered by us at no extra cost.

Each retreat is uniquely organised around your needs and wishes, so if you tell us how you see each day and what your requirements are, we can quote you accordingly.

Amenities include:

Chlorine free swimming pool - River frontage with wood framed hammock lounge spaces - Restaurant - Bar/Juice bar - Indoor & outdoor ceremony/yoga spaces - BBQ & pizza oven.

Catering options include:

Vegan - Vegetarian - World fusion - European - Juicing
Buffet - Table service - Shared table spread

Because we tailor make every menu depending on your wishes, please give us your feedback on not only your nutritional goals, but also flavour, we will then work with you to create a unique and special menu, pricing is based per head.

Dietary requirements are never a problem as long as we have adequate time to prepare.
